

GEORGE A. BUZZELL
Curriculum Vitae

Florida International University, Miami, FL
email: gbuzzell@fiu.edu; phone: (305) 348-5133

Academic Positions

- 2020-present Assistant Professor, Department of Psychology, Florida International University, Miami, FL
- 2016-2020 Postdoctoral Fellow, Department of Human Development and Quantitative Methodology, University of Maryland, College Park, MD
PI: Nathan A. Fox, PhD

Education

- May 2016 *PhD, Psychology: Cognitive and Behavioral Neuroscience*
George Mason University (Advisor: Craig. G. McDonald)
Dissertation: “My own worst enemy: monitoring for errors or processing feedback can lead to impaired performance when inter-trial-intervals are short”
- May 2011 *Bachelor of Science in Psychology with Honors*
George Mason University
Thesis: “Electrophysiological indices of conflict in an auditory spatial Stroop task”

Grants

Active

- 2022-2027 R01 MH131637, National Institute of Mental Health (NIMH)
A developmentally-sensitive mechanism underlying the escalation of adolescent social anxiety
Role: **Co-Principal Investigator (Contact PI)**
- 2021-2023 *Brain & Behavior Research Foundation*
NARSAD Young Investigator Grant: A neural mechanism underlying the emergence of social anxiety during the adolescent period
Role: **Principal Investigator**
- 2019-2024 R01 MH119299, National Institute of Mental Health (NIMH)
Targeting Attention Orienting to Social Threat to Reduce Social Anxiety in Youth
Role: **Co-Investigator**

Pending

- 2023-2025 R21 MH131928, National Institute of Mental Health (NIMH)
Ecological Assessment of Cognitive Control in Individuals with Social Anxiety
Role: **Co-Principal Investigator (Contact PI)**
Score: 5th percentile, 19 impact

Completed

- 2021-2022 U01 DA055316, National Institute of Mental Health (NIMH)
 The Healthy Brain and Child Development National Consortium
 Role: **Co-Investigator, Subawardee**
- 2018-2020 *Bill and Melinda Gates Foundation*
 Optimizing prediction of infant brain health outcomes through advanced EEG
 signal processing and network analysis
 Role: **Principal Investigator**

Awards and Scholarships

FIU College of Arts, Sciences & Education (CASE) Faculty Award for Research (2022)
-Recognition of faculty who have distinguished themselves in research

International Society for Developmental Psychobiology Travel Award (2019, 2017)
-Competitive travel grant, \$500

Outstanding TA Award (2016)
-Competitive award granted to one TA in the GMU Psychology Department, \$100

Undergraduate Apprenticeship Program Writing Fellowship (2011)
-Fellowship awarded for the advancement of undergraduate research or scientific writing, \$1000

GMU Psychology Department Mellinger Award (2011)
-For excellence in the areas of scholarship, academics, and service, \$100

Advanced Scholar Award (2011)
-For the highest GPA in the GMU Psychology department's graduating class, \$100

Award for Best Project Involving Information technology (2011)
-Awarded for a poster presentation at the GMU CHSS Colloquium, \$200

Dean's Challenge Scholarship (2010)
- Awarded for scholarship, academic achievements, and extracurricular activities, \$2000

Teaching

2020-2022 Introduction to Biological Psychology (FIU)

2016, 2012-2013 Biological Psychology (GMU)

2013-2016 Co-instructor for the Psychology Honors Program (GMU)

Teaching Assistantships

- | | |
|-----------|-----------------------------------|
| 2011-2012 | Sensation and Perception (GMU) |
| 2011 | Biological Psychology (GMU) |
| 2011 | Psychology of Communication (GMU) |

Consulting Work (paid)

2-day workshop covering EEG analysis and theory
-New York University (2019)
-Weill Cornell Medicine (2018)

Preconference workshop on EEG analysis at the Society for Psychophysiological Research (2019)

Mentorship Experience

Graduate and undergraduate students of the NDC Laboratory (FIU; 2020-*present*)

Graduate and undergraduate students in the lab of Dr. Nathan A. Fox (UMD; 2016-2020)

Graduate and undergraduate students in the lab of Dr. Craig G. McDonald (GMU; 2012-2016)

Academic Service

Ad-hoc reviewer: *Psychological Science*, *The Journal of Neuroscience*, *Cerebral Cortex*, *eLife*, *Child Development*, *NeuroImage*, *Developmental Cognitive Neuroscience*, *Psychophysiology*, *Developmental Science*, *Biological Psychiatry*, *Biological Psychology*, *Neuropsychologia*, *Cognitive Affective and Behavioral Neuroscience*, *Developmental Psychobiology*, *Int. Journal of Psychophysiology*, *BMC Medicine*, *Cognition & Emotion*, *Development and Psychopathology*

Guest Editor, *Developmental Cognitive Neuroscience* (2021-2023)

FIU Dean's Distinguished Doctoral Fellowship Review Committee (2022-*present*)

FIU Psychology Department Colloquium Committee (2022-*present*)

FIU Undergraduate Curriculum Committee (2021-2022)

Co-organizer and host, GMU Students in Neuroscience Symposium (2014-2015)

President, GMU Students in Neuroscience student group (2014-2015)

Vice-President, GMU Students in Neuroscience student group (2013-2014)

Student liaison for the GMU Cognitive and Behavioral Neuroscience (CBN) program (2012-2016)

GMU Student Advising Counselor (2012)
